

UNITED SECURITY SOLUTIONS

Walk Through Metal Detector

Single Zone & Multi zone | United - 301/6/12

Number of Zones
Single/Multi

Gross Weight
50K

Power

AC 90V~240V 50/60Hz

Sensitivity Control

Selectable membrane switch

Outer frame Size

2180mm (h) x 850mm (w)
X 440mm (d)

Alarm Audio / Visual indications
for Metal Detection

Humidity

95% Non-Condensing

Work Place Environment
10°C to 55 °C

Micro Processor Based | Fully Auto set | Ultra-high sensitivity

Detects Ferrous & Non-ferrous metals | Selectable membrane | Audio/Visual Indication

frame detachable in 5 parts | Pass and alarm Counter Indication | Infra-Red Sensors

Rugged, aesthetic design for easy and quick assembly
