

UNITED SECURITY SOLUTIONS

306, 3rd Floor, Adarsh Complex Wazirpur Commercial Complex, Delhi-110052

COMPANY PROFILE

Safety is not something that can happen on its own by accident. You need to work towards it with the right Measures, Tools and Mindset.

| ABOUT US

We offer wide range of Turnkey Solutions in the field of :-

Life safety Systems: Fire Alarm System detects and notifies early signs of fire even before it starts. It can help you reduce the risk of injury or loss of human life as well as minimized damage to your property and disruption to your operations. Well Designed Fire Protection keep safe your valuable assets & properties. **Public Address system:** In an emergency situation communication is vitally important. The public address and evacuation systems provide the facility for pre-defined audible warnings and announcements. **Access Control System:** Be it for 50 or 5000 people, be it one location or multi location linking, we have the right solution in ensuring the Access control across facilities.

CCTV System: Security is an aspect of concern for all to ensure protection of self and family members, property, offices etc. Use of security cameras is considered as best way of deterring the criminals from causing harm to you or your property, keeping away intruders and even for checking day to day activities.

Building Management System: All Buildings have some form of mechanical and electrical services in order to provide the facilities necessary for maintaining a comfortable working environment. The purpose of a Building Management System (BMS) is to automate and take control of these operations in the most efficient way possible. **Fire Suppression System:** Fire Suppression Systems protect valuable resources and critical facilities of your business is our focus. Honeywell is one of the US's leading fire protection companies, offering Aspiration and Fire Suppression solutions for many applications

- **Pass and alarm Counter Indication.**
- **Durable and able to function in harsh environmental conditions.**

UNITED MAKE

Doorframe Metal Detector

United - 301/6/12

- Micro Processor Based
- Fully Auto set
- Ultra-high sensitivity
- Detects Ferrous & Non -ferrous metals
- Audio/Visual Indication
- Pass and alarm Counter Indication
- Infra-Red Sensors
- Aesthetic design for quick Assemble

X-Ray Baggage

AT5030C

- Drugs and explosives inspection
- Indication of the date and time
- Multilingual operation
- Threat alert and material classification
- Secure access Key | Auto archiving
- Network-Ready | Energy saving design
- One key turn-off | Baggage counter

UNITED MAKE

Automatic Traffic Barrier

United-BB05

- Motor cooling fan, for heat-protection
- Reversing on obstacle
- Auto-closing
- Support the external and internal Vehicle Loop Detector
- Traffic light interface
- Wire Control

Hand-held Metal Detector

Scorpion™700135/ MD3003B1

- Single Push to ON.
- Automatic Setting (no adjustments)
- Dual LED, Green for ON & Red for Metal.
- Operate on 9V Battery.
- Detect all type of ferrous & non Ferrous Metal
- Audio & Visual & Vibrator Indicator.

Flire Alarm System

- Flexible, Expandable, Compatible.
- Advanced Detection Technology.
- Integrated Audio Evacuation and Paging.
- Easy to Use and Maintain.
- Speed of Installation and Detection.
- Adapts to Your Needs and Environment.
- Easy to operate

CCTV Cameras

- High quality & Cyber Security cameras
- Super high performance on WDR
- Easy to operate
- Best of noise reduction technology
- Smart IR to give best results during night
- Highly efficient encoding technology

BOSCH

Honeywell

Public Address and Voice Alarm Solutions

- Different announcements are made simultaneously in real-time within the networked units Graphic user interface for the PA system (PAMMI)
- Permanently operating automatic volume control (AVC)
- Time scheduled announcements are UPS compatible, power saving mode interfaces to fire alarm systems, security systems, and more.
- Self-monitoring system in real time Automatic replacement control (switchover to redundant power amplifiers)
